

Colorado CTE Course – Scope and Sequence

Course Name	Hairstyling Advanced		Course Details	Credit = 2.0 (Each course in this pathway is recommended at 300 contact hours to meet the licensure requirements for DORA) Prerequisite: Hairstyling- Intermediate II CTE Credential: CTE Personal Care Services	
			Course = 0.50 Carnegie Unit Credit		
Course Description	The fourth level of the hairstyling program concludes with the student gaining practical working knowledge and applying theory in laws, rules and regulations; advanced cutting, color, and chemical texture; management, ethics, interpersonal skills, and sales; advanced disinfection, sanitation, and safety. Students that complete all levels of the Hairstyling program (1200 hours minimum) will be eligible to take the Colorado State Board of Barber and Cosmetology Licensure Exam for Hairstylists.				
Note:	This is a suggested scope and sequence for the course content. The content will work with any textbook or instructional resource. If locally adapted, make sure all essential knowledge and skills are covered.				
SCED Identification #	19103	Schedule calculation based on 60 calendar days of a 90-day semester. Scope and sequence allows for additional time for guest speakers, student presentations, field trips, remediation, or other content topics.			
All courses taught in an approved CTE program must include Essential Skills embedded into the course content. The Essential Skills Framework for this course can be found at https://www.cde.state.co.us/standardsandinstruction/essentialskills

Risks and benefits of using specific techniques in the evaluation of clients' hair including but not limited to: scalp care, shampooing, conditioning, draping, sectioning, and specialized treatments.</p> <p>b. Describe decisions behind the selection and maintenance of specific implements.</p> <p>c. Demonstrate appropriate cosmetology posture and body positions while completing advanced</p>	<p>SkillsUSA Contests: Hairstyling</p>

			<p>recognizing concerns and making informed decisions; (B) document client satisfaction, procedures, and products to facilitate ease of consultation in future appointments; (C) locate and compare vendors to maximize benefits for personal care clients, businesses, or organizations; (D) demonstrate understanding and proficiency of basic haircuts such as zero degree, forty-five degree, ninety degree, and one hundred eighty degree; (E) perform mock chemical service application as required for the state practical exam; and (F) execute shampooing, permanent waving, curl demonstration, blow drying, and thermal curling service as required for the state practical exam.</p>	<p>haircutting and hairstyling techniques using the elements and principles of design.</p> <p>Validate your actions when using the texturizing processes within specific haircuts. Exhibit and explain the difference in texturizing techniques.</p> <p>Create an illustrative graphic of different braiding and braiding extension techniques, materials in extensions, and implements used in braiding. Analyze the correlation between braiding techniques and a client's hair type and texture, scalp condition, curl configuration, scalp abrasions, and hair thinning or balding. Classify textured sets and styles used in braiding natural curly hair. Demonstrate understanding of all braiding and braiding extension techniques.</p> <p>Research and summarize in an informative essay the rationale for hairstylists to study wig and hair enhancements include the following discussion topics:</p>	
--	--	--	---	--	--

				<p>the differences between human hair and synthetic hair and categories of wigs and hairpieces and their uses. Include styling tips for clients related to categories of wigs, hairpieces, and extensions.</p> <p>Advanced Techniques in Chemical Services: Perform an effective consultation, hair analysis, and chemical texture service for a client. Write a reflection explaining the positive and negative outcomes of the consultation, analysis, and chemical texture service. Analyze concepts related to chemical textures services to demonstrate the following while adhering to all directions and safety procedures:</p> <ol style="list-style-type: none"> a. Perm techniques b. Hair relaxing techniques c. Curl re-forming (soft curl permanents) <p>Evaluate concepts related to advanced haircoloring techniques and demonstrate proper procedures while adhering to all directions and safety procedures.</p>	
--	--	--	--	--	--

				<p>Analyze, describe, and demonstrate the methods for highlighting, including common methods as well as specialized methods for current trends. (For example: ombre and balayage. Determine the differences between ombre and balayage.)</p> <p>Investigate special challenges in specific hair colors and corrective solutions. Write an informative narrative including discussion on effective color correction, gray hair, damaged hair, red haircolor, brunettes, blondes, and other special conditions.</p>	
<p>Laws, Rules, and Regulations (This section may be taught in any of the courses in the pathway sequence.)</p>		<p>Understand the laws, rules, and regulations established by Colorado State Statute and the Colorado Department of Regulatory Agencies pertaining to cosmetology professions. Practice professional, ethical, and legal behavior, responding thoughtfully to diverse perspectives and resolving contradictions when possible, consistent with applicable laws,</p>	<p>The student demonstrates knowledge of rules and regulations established by the Colorado Department of Regulatory Agencies (DORA) Office of Barber and Cosmetology. The student is expected to:</p> <p>(A) apply health and safety policies and procedures;</p> <p>(B) recognize risks and potentially hazardous situations in compliance with the state rules and regulations;</p>	<p>Research and summarize in a clear and coherent narrative the legislative and electoral processes of state governments as it relates to cosmetology actions using public documents, textbooks, or government websites. Identify your role as well as the role of public agencies in supporting elected officials to meet goals and objectives, and in endorsing approved legislation or participating in</p>	

		<p>regulations, and organizational norms.</p>	<p>(C) comply with all applicable rules, laws, and regulations; (D) navigate the DORA website for exam eligibility, exam procedures, and other information related to licensing; (E) identify licensure and renewal requirements of the licensee or licensed cosmetology establishment or school; and (F) explain the importance of personal integrity, confidentiality, and ethical behavior in the workplace.</p>	<p>the public rule-making process.</p> <p>Gather research and analyze information from the Colorado Department of Regulatory Agencies (DORA) Office of Barber and Cosmetology Licensure. Generate a visual representation (e.g., chart, diagram, brochure, etc.) to illustrate important connections to the following:</p> <ul style="list-style-type: none"> a. Sanitation, disinfection, and safety laws: cleaning and disinfecting of implements and equipment, cleaning and disinfecting work environment, and sanitary procedures and pathogens b. Licensing, certification, and industry credentialing requirements c. Legal responsibilities, behaviors, and practices/procedures (ethical vs. unethical, legal vs. illegal) <p>Assemble a list of professional and governing organizations that provide professional development for cosmetologists in Colorado. In a written narrative, describe the benefits of ongoing</p>
