Colorado CTE Course – Scope and Sequence

Course Name	ACE Digital Citizenship and Communication I	Course Details	1.0
		Course = 0.50 Carnegie Unit Credit	
Course Description	Everyone who uses the internet and technology is a digital citizen. In this course, students will learn about Digital Citizenship and the 3 guiding principles: Safe, Smart, and Social (or S3). The first guiding principal; Safety, focuses on protecting yourself and protecting others and creates the base of digital citizenship. The next is Smart, which focuses on the concepts around educating yourself and connecting with others. And finally, the Social guiding principle commits to helping everyone make decisions exemplifying our commitment to respecting ourselves and respecting others.		
Note:	This is a suggested scope and sequence for the course content. The content will work with any textbook or instructional resource. If locally adapted, make sure all essential knowledge and skills are covered.		
SCED Identification #		Schedule calculation based on 60 calendar days of a 90-day semester. Scope and sequence allows for additional time for guest speakers, student presentations, field trips, remediation, or other content topics.	

All courses taught in an approved CTE program must include Essential Skills embedded into the course content. The Essential Skills Framework for this course can be found at **https://www.cde.state.co.us/standardsandinstruction/essentialskills**
2021 Version of PWR/Essential Skills
