

**Have you ever thought
about starting your own
business? What would it
be?**

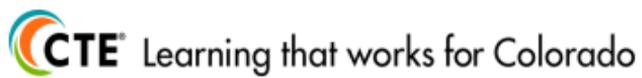

Entrepreneurship

Are you comfortable with paychecks coming on an irregular basis and the amount varying? Or, do you prefer a set pay and schedule?

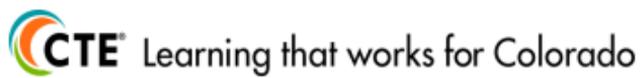

Entrepreneurship

Entrepreneurs often have to sell their ideas to investors and customers. Do you think you'd enjoy pitching an idea and getting people excited about it?

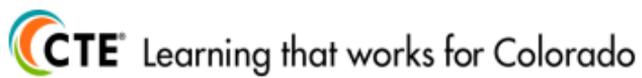

Entrepreneurship

Do you like the idea of being your own boss, making decisions, and taking risks? How would you handle things if your business didn't work out at first?

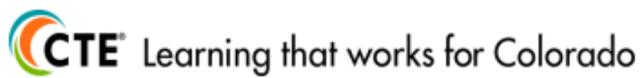

Entrepreneurship

**What do you think is
harder—starting a
business from scratch,
or taking over a
business and making it
better?**

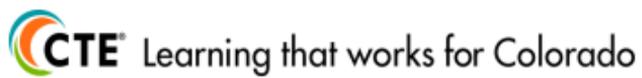

Entrepreneurship

**How do you feel about
the idea of creating
something new,
promoting it, and
figuring out how to sell
it to people?**

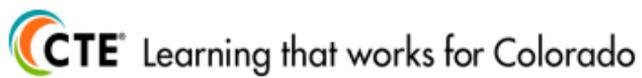

Entrepreneurship

**Do you think you'd like
working with a team to
create something new,
or do you prefer working
on your own ideas?
Why?**

Entrepreneurship

Would you rather have a set schedule/hours with holidays? Or set your own schedule and when/where you feel like it, even it if means working a lot more?
