

Have you ever thought about how apps and websites track what you like to show you ads you're interested in? Do you think you'd enjoy figuring out how to target ads like that?

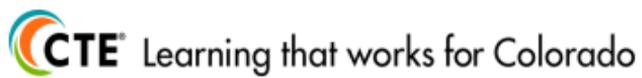

Marketing

When you're on social media, what types of posts grab your attention? Do you think you'd enjoy creating content like that?

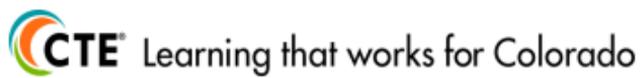

Marketing

Do you enjoy using social media? How would you feel about creating fun posts or videos to get people interested in a product?

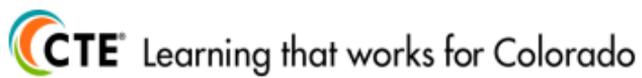

Marketing

**What kind of products
or services do you think
would be fun to create
or sell? Why?**

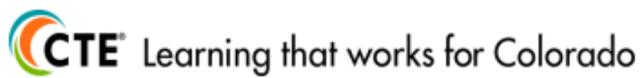

Marketing

**When you see
commercials or ads, do
you think more about
how they look or
whether they'll
convince people to buy
something?**

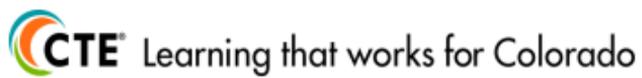

Marketing

Do you enjoy talking to people and convincing them to try new things? How do you think you'd do at selling a product or idea?

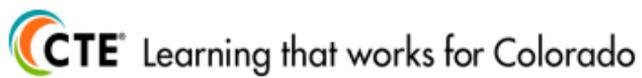

Marketing

**Have you ever
convinced a friend or
family member to buy
something you liked?
What did you say that
worked?**

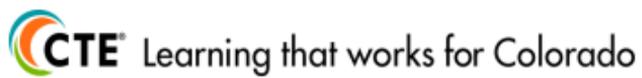

Marketing

**Would you prefer
working on designing
cool logos and ads, or
analyzing data to see
which ads are working
the best?**

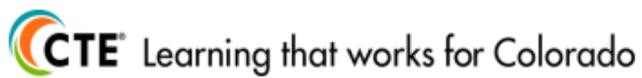

Marketing

Marketing helps bring customers in, but sales is about closing the deal. Which do you think is more exciting—getting people interested or convincing them to buy?

Marketing

Sales is often about reaching targets and making deals. Do you think you'd enjoy the challenge of meeting sales goal?
