

Colorado CTE Course – Scope and Sequence

Course Name Interior Design 2 Commercial	Course Details		60 Contact Hours Level 2 on CTE/FCS Course Matrix		
Course Description	The purpose of this course is to expose students to various aspects of the interior design industry and is based on the industry’s professional standards (Council of Interior Design Accreditation-CIDA). This course focuses on commercial design. Students integrate knowledge, skills and practices to evaluate potential career opportunities. Areas of focus include: Introduction to Residential and Commercial Design; Design Drawings; Professional Practices/Education; Design Elements and Principles; and the Design Process.				
Note:	This is a suggested scope and sequence for the course content. The content will work with any textbook or instructional resource. If locally adapted, make sure all essential knowledge and skills areThe technical standards for Family and Consumer Sciences are found on the LEAD FCS website at LEADFCS National Stanards and Competencies				
SCED Identification #	Schedule calculation based on 60 calendar days of a 90-day semester. Scope and sequence allows for additional time for guest speakers, student presentations, field trips, remediation, or other content topics.				
All courses taught in an approved CTE program must include Essential Skills embedded into the course content. The Essential Skills Framework for this course can be found at https://www.cde.state.co.us/standardsandinstruction/essentialskills
